

March 13, 2020

Dear Liguori Family,

As you may know by now, we are going to be closed for the next two weeks from March 16<sup>th</sup> through March 27<sup>th</sup>. With all the uncertainty regarding the coronavirus and the fear that it may have put on you and your family be assured of one great truth; we will get through this together. The unknown always brings fear but with that fear let us not forget the strength that has been given to us and the Boundless Love shown by the support of the people who surround us every day at Liguori Academy, our faculty and staff.

The physical building may be closed but we are open in the sense that we will continue to provide you with the support you need in order to continue to succeed in every aspect of your lives. We are an email away from helping you and guiding you over the next weeks. Families in times like this stay together and build each other up-and we are a family. So, if you have a question about your schoolwork, email your teacher. If you have any concerns and you need someone to point you in the right direction, contact us.

Let the conversations and relationships continue as we look forward to many good days ahead of us. No matter how the news may shake us, we will be back together before you know it.

In conclusion think of the words of Alphonsus Liguori, "The past is no longer yours; the future is not yet in your power. You have only the present wherein to do good." So, do good in the coming weeks, follow the instructions of your teachers and let's move it forward. We have faith in you.

Please do not hesitate to contact me at [mmarrone@liguoriacademy.org](mailto:mmarrone@liguoriacademy.org) if you need anything.

In Liguori,

*Michael Marrone*
