

April 10, 2020

Dear Families,

We've recently learned that all Pennsylvania schools will be closed for the remainder of the academic year. Since the beginning of these unprecedented circumstances, we have said that while our building may be closed that Liguori Academy is open. Open to continuing to provide quality educational services to our students, open to providing caring and supportive guidance and counseling services and, in the spirit of Boundless Love, open to offering support to our families.

With the guidance of our caring and highly qualified faculty, our students have shown the strength of who they are by continuing to complete their required assignments on time and with integrity. The structure that we have in place ensures that we will have a strong fourth quarter and complete this academic year successfully.

We're all in this together and we know that some of you may be facing unanticipated emotional and financial challenges. We want to help you where we can so please reach out to us. We will do the best that we can to help. We are committed to getting through this together.

All students have their required assignments on Edgenuity, as well as the classroom content from their teacher. They will also be participating in online meetings beginning next week with their teachers so they can stay in touch.

We hope you all have a wonderful Spring Break, and we look forward to seeing you back online and in face to face meetings with us next Tuesday, April 14th!

As always, feel free to contact me directly at mmarrone@liguoriacademy.org or 267.571.1952 with any questions or needs that you may have. I'm here for you.

In Liguori,

Michael Marrone
