BOUNDLESS LOVE

The Boundless Brief

Taking Liguori to the Next Level

You may have already heard or seen on our social media platforms that Liguori has a big move happening this summer! When we opened our doors in 2016 at 1952 E. Allegheny Ave, we knew that it was likely that it would not be our forever home. For that reason, we are pleased to share that our school is in the process of relocating to a larger building located just a short 1.5 miles from our currently location. Our students and staff can now call 2343 E. Tucker Street home.

The Covid-19 pandemic, without a doubt, threw a wrench in our plans and put a dark cloud over this exciting milestone for our school. Despite the unpredictable circumstances, we decided to keep moving forward and when the construction ban was lifted our team was ready to go to work. We are confident that our building will be ready to use once school re-opens in September.

An important first step in preparing our new home will require an initial investment of at least \$1,000,000. While it is an existing school building, extensive improvements to the HVAC systems, technology, safety measures, accessibility and updating the overall appearance must take place prior to opening in September 2020.

We are currently seeking contributions for our *Level Up Campaign* in support our new location. In recognition of gifts at appropriate levels, we have opportunities to exclusive naming rights to key components of the facility.

If you are interested in giving a gift or naming rights, please contact Shannon Donohoe at sdonohoe@liguoriacademy.org.
